INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

vs the matter of the claim
of Mary J. Matherly et al for par-
ticipation in fund appropriated June
30 1906 by Congress to Eastern and
Emigrant Cherokee Indians
and their descendants.

On this 24th day of July 1906 personally appeared
before me (Wm E. German a notary Public in and
for said County duly authorized to administer oaths
James Herraldson aged 80 years a resident of Webb
City, Jasper County Missouri now sojourning in Spring
field Greene County Missouri whose Post office address is
Webb City Missouri well known to be reputable and
entitled to credit. who being duly sworn on his oath
declared and saith as follows: in relation to said case
I was well acquainted with Alexander Brown
in his lifetime. He came from Knoxville ^{or McMinn} County
Tennessee and located and settled near what is now
known as Brighton Polk County Missouri on or
about the year of 1836 or 1837. He came to said
Polk County ~~before~~ two or three years before his death.
The said Alexander Brown whom I first knew him
lived in Moore ^{or McMinn} County Tennessee. I have heard that
he came to Tennessee from Georgia. He lived about a
mile from where my father lived. I knew said
Alexander Brown as soon as I was old enough to
know anyone as he visited my father and my

father visited him. his family and my fathers
family visited back and forth very often his children
and my fathers children played together often. the
two families were intimately acquainted with each
other. I have a very clear and distinct recollection of
hearing the said Alexander Brown say. that he was
registered. or that his name was placed on the roll
of Cherokee Indians before he left Tennessee. and I
have heard him tell this before he left Tennessee and
after he came to Missouri. I came to Missouri
soon after Alexander Brown left Tennessee and I now
said Alexander Brown and was intimately acquaint-
ed with him both in Missouri and in Tennessee
The said Alexander Brown was a tall broad build
red man inclined to be round with erect nose of
dark complexion black hair and eyes He and his
children were generally known and recognized
and reputed to be part Cherokee Indian they looked
like they had Cherokee blood or Indian blood. I have
heard said Alexander Brown and also his children
say that he was a half blood Cherokee Indian
and they always claimed to be of Cherokee blood
said Alexander Browns remains were buried
at the brick grave yard near Springers Potts
County Missouri. It was the general talk among
the neighbors and children of said Alexander
Brown that he was a half blood Cherokee Indian

that he was on the roll of Cherokee Indians
I recollect that he was called by the Indian nick
name of "Swanee". When he left Tennessee and came
west he was accompanied by a number of other
families.

Said Alexander Brown was the father of the follow-
ing named children viz; Thomas Brown, John Brown
Prize Brown, Jack Brown, Sarah (Brown) Hamilton
who was frequently called Sally, Marie (Brown) Forder
Elizabeth (Brown) Kullb, Susan (Brown) Prickler
Annie (Brown) Pace, Violetta (Brown) Kullb.

Sarah (Brown) Hamilton aforesaid was the mother
of Martha L. Haralson whose maiden name was
Martha L. Hamilton who is the mother of
Amanda J. Richards whose maiden name was
Amanda J. Haralson who is the mother of Mary
J. Matherly whose maiden name was Mary J. Rich-
ards. Beatrice Matherly, Oscar Matherly and
Doris Matherly are the children of said Mary
J. Matherly.

I further declare that I have no interest in said
case and am not concerned in its prosecution

601 OURAY BUILDING
WASHINGTON, D. C.

Wiley A. Stamer,
R. F. D. #1, Park, Va.

SIR:

In the matter of the enrollment of the Eastern Cherokees for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, of May 28, 1906, the Court of Claims on April 29, 1907, entered a further order directing the distribution of this fund *per capita*.

Under this order all Eastern Cherokees by blood, who were living on May 28, 1906, who can prove that they are descended from Eastern Cherokee Indians, parties to the Treaty of 1835-6 and 1846, will be entitled to enrollment. Minor children are to be enrolled with their parents.

You have already filed application No. . . . 2457 . . . for your own share of this fund, but it does not show whether you have any minor children. If you had any minor children living on May 28, 1906, you should fill out the inclosed Supplemental Application, and together with two witnesses acknowledge the same before a Notary Public or other proper officer, and should mail said application to this Office immediately.

If you have already filed a separate application for your minor children you need not file this supplemental application.

Do not fail to put your own application number on the supplemental application.

If you have children of age who have not filed applications, they should apply at once to this Office for an application blank, which will be forwarded without charge.

You should address all letters on this subject to the Special Commissioner of the Court of Claims, 601 Ouray Building, Washington, D. C.

Very respectfully,

GUION MILLER,
Special Commissioner.

Dear Sir:

Your letter of May 20th, 1907, relative to the claim of Wiley H. Stamper for participation in the Eastern Cherokee fund, is at hand. If his claim proves to be good his share would be paid over to his legal representative, and doubtless his widow would be entitled to a portion, at least, of his share. If his estate has been settled and an administrator appointed, such administrator should write a letter making formal claim for the share that may be due the estate of Wiley H. Stamper.

Margaret Hamner, being first duly sworn, thru her Interpreter Tom Roach, deposes and says:

I am 57 years old about. I did not draw the Emigrant money in 1851: I had no brothers and sister old enough to draw money in 1851: I do not know whether my parents were living together at that time or not: My fathers name was Charley Se-hee. His Indian name was Chah-lih Pee-hee. He filed application for this money. He died Feb. 1909. (See Application # 9295 herewith) (For the parents and grandparents of father see fathers application)

My mothers name was Quah-lah-you-gah. I was about five years old when my mother died. My father and mother lived together as man and wife and my father always admitted that I was his child. I have no half brothers and sisters on my mothers side living at the present time. My half brothers and sisters on my fathers side are Charlee Sehee, P. O. Rowe, Okla. Ely Sehee, P. O. Rowe, Okla., Fog Sehee, or Ellex Sehee, Rowe, Okla., Littlebird Sehee, Rowe, Okla. Susan --- I do not know the last name. She is married and lives at ~~Wucha~~ Wucha, Okla.

None of my fathers brothers and sisters are living. Co-wa-lu-ke Pigeon, living now at Locust Grove, Okla. is a half brother of my mother. (Look up application.)

My father and mother were Emigrant Cherokees. I have been told that my mother drew the Emigrant money in 1851. I never drew any Old Settler money in 1896. I have always been regarded as an Emigrant.

After the death of my mother I was taken from Aline District by a woman by the name of Nancy Blossom or Cornassel. I was brought to Choctawhatchee District and I do not remember much about my people. Nancy Cornassel, P. O. Westville, Okla. is living now. She is the half-sister of my mother on their fathers side I think.

I do not know the name of any old person who knows my people. I do not know with what women my father was living in 1851: I do not know whether my mother was living with her parents or not. I do not know the name of the man she lived with in 1851:

My mothers parents were Chee-tahguh Ah-c'uh-yuh or chic en rooster, and Lydia. I have never seen my grandfather. I have seen my grandmother Lydia. I think that my grandfather died before 1851: I think that my grandmother lived with my mothers sister Chah-ya-ne in 1851. Chah-ye-ne is the only one of my mothers sisters that I remember/

Tiny Pendleton being first duly sworn, deposes and says:

That I am about 51 years of age, born March 12, 1857. I reside at East End Av., Chattanooga. I claim Indian descent thro both parents. They belonged to the Cherokee tribe of Indians. I can't tell just when my mother died but it was since the Civil War in what is known as Flint District, I.T. I do not know what roll my mother was on but know that she drew money in Cherokee Co., N.C. but I don't know just when, before the Civil War. She lived amongst the Indians in N. C. in Cherokee Co., Knetleyoldtown (?). She left N. C. before the Civil War, but I don't know just when. I was a small child at that time. I lived among the Cherokee Indians at Tahlequah, Okla. about two months. I was born in the Cherokee Nation somewhere in the West. They always told me that my mother was a full blood, and my father was said to be an eighth Indian. I don't know whether my father was ever on any roll or not. I have been told my maternal grandmother's name was Matilda Ward. The Indian name my people went by was Agush. My half sisters are Narcissa Chase, Louiza Robertson, Rosa Longwith, having the same father but different mother. I have one son. My husband is a white man. I have filed two applications, Nos. 3763 and 2475, and am claiming only for myself, my parent having died many years ago. When my parents left N. C. they went to the Nation in the West, I think sometime in the early 30's. I don't know what part of the West it was. I can give no more definite information with reference to the roll my mother was on or where my ancestors lived, etc. than I have. My mother's maiden name was Ward and not McDaniel. This is the only application I ever made, except when I was in the West 7 or 8 years ago when I tried with the Bureau Commission and they told me I would have to come back to N. C. to get my money, that they could give to me in the Nation but I did not want it.

Signature of Witness..... *Tiny Pendleton*

Subscribed and sworn to before me this 10th day of Jan, 1900 at Chattanooga, Tenn.

Ass't to the Special Commissioner of the Court of Claims.

The witness shows more white blood than anything else. Her skin scarcely dark at all and her knowledge in reference to her ancestors and place of their residence and with what tribe is very vague. Am unable to get anything more out of her than given in the above.

Applications of Narcissa Chase et al
claiming through Noah Raper.

#2474

Applicant was born in Cherokee Co., N.C. in 1842 and her sister, Louisa or Eliza Robinson (app. #20469) was also born in Cherokee Co. in 1846 or 1848 - certainly prior to 1851. Eliza and Narcissa also claim that they have a sister Dovie who was born in 1849 or 1850, and a sister Tiny or Margaret (app. #2475) who was born in 1857. Tiny states in one application that she was born in Union Co., N. C., and in another that she was born in Indian Territory. In the testimony, Narcissa states that Tiny is her full sister, while Tiny states that Narcissa is her half sister. Narcissa gives the name of her mother as Minerva Raper formerly Minerva Taylor, and Louisa gives her mother's name as Minerva Raper formerly Minerva Brown. Tiny in her first application also states the name of her mother as Minerva Raper formerly Minerva Taylor, but in her second application states that her mother's name was Jane Ward, maiden name Jane McDaniel. In her testimony she says her mother's maiden name was Ward and not McDaniel. In Tiny's first application she states that she claims through her father only, while in her second application she says she claims also through her mother. The names of Noah Raper, Minerva Raper and Jane Raper, Louisa and Narcissa Raper do not appear on the Chapman roll of 1851, nor does the name of any one of these nor of their descendants appear on the Hester roll of 1834. These parties claim back through Noah Raper to a Thomas Raper, Narcissa and Tiny in her first application giving the names of their grandparents as Thomas Raper and Jane Raper formerly Jane McDaniel, while Louisa and Tiny in her second application give the names of her grandparents as Thomas and Katy Raper. Thomas and Katy Raper were enrolled by Chapman in 1851 with a number of children all of whose names are given in English, and

the descendants of the children so named are enrolled by Hester and have made application here, and they failed to mention as one of the children of Thomas and Katy Raper, any child by the name of Noah. It appears further from the testimony, that Thomas Raper was himself a white man and this also appears from the roll of 1835 where he is put down as "affiliated white". It would appear, therefore, that Noah Raper - if the son of this Thomas Raper - must have been his son by a white woman, and as such, not given a status as an Indian either in 1835 or 1851. If he had had such a status, as it is shown that he was living in the Cherokee country with his family in 1851, he would certainly have been enrolled at that time and his descendants would have been enrolled by Hester.

As is referred to above, there is some claim on the part of Tiny Pendleton, to Indian blood through her mother, but the rolls fail to disclose any party of the name given as her mother or grandparents on her mother's side, and in view of the fact that in her original application she distinctly states that she claims through her father only, this claim through the mother may be disregarded. (See Pages 122-3-4 Miscellaneous Testimony).

In addition to the facts given above, claimants have filed an affidavit executed by Alexander Raper who was a son of Thomas Raper, which was executed in 1893, in which Alexander Raper states that he is then 70 years of age, and in support of the application of Margaret or Tiny Pendleton for enrollment as a Cherokee citizen, states that she is the daughter of Noah Raper who was his (affiant's) first cousin by the Cherokee blood. If this statement is true, as seems probable, that Noah was the first cousin of Alexander Raper, then he was not the son of Thomas Raper, as Thomas was the father of Alexander Raper, and it is more probable that Noah was the son of William who is shown to have been another brother of Thomas Raper, and William does not appear ever to have been adopted by the Cherokees and is shown to have been a white man.

B. B. C. WITT
ATTORNEY AT LAW

BENTON, TENN., July 7, 1909. 190

Guion Miller, Sp. Com.

Washington D.C.

Dear Sir:-

I have your letter and order of Court, of June the 10, directed Tyne Pendleton, Chattanooga, Tennessee, rejecting her claim No. 2475, for participation in the funds arising from the judgement of the Court of Claims in favor of the Eastern Cherokees, -I write to know if you are in a position to say, on what grounds it was rejected, also if you will allow additional evidence to come in, her case probably has been butchered by the officials who filled out her papers, for she is certainly of Cherokee blood. I have the affidavit of John W. Hildebrand of Benton Tennessee, who swears that he knew her grand mother and her father, that her father's mother was Katie McDaniels and that ~~her~~ she was the mother of Noah Raper, the father of claimant, and that they were part Cherokees, that in 1876 and 1875, he sat in Council with Noah Raper, claimants father as a Cherokee at Cheoee, N.C.

Now are there any particular form for the exceptions required to be filed under the order of court, if so will you please forward to me at Benton, Tenn. together with the style of the case so I may prepare the exceptions in keeping with the order I have.

I hope I have not been too tedious or impudent, but I am satisfied after talking with Uncle Jack Hildebrand that this woman, her son and grand-children are entitle to share in this funds, there may be some allowed from the proof that are not entitled, but I believe she is.

Very Respectfully.

B. B. C. Witt

#3475 Tyme Penleton and
#3474 Narcissa Chase.

Miscel.

Jackson Raper being first duly sworn, deposes and says:

That I am 59 years of age and reside in Walker Co., Ga. I am acquainted with Tyme Penleton. I was acquainted with Jane Ward. I could not say that Noah Raper had Indian blood but Jane Ward was said to have had Indian blood. I don't know where Jane Ward lived in 1835 or 1851, nor do I know whether she ever lived with any Indians. She lived in Fannin Co., Ga. in 1851 amongst the Indians. I don't know of her being on the 1851 roll but would say that she was on any roll it was the Sweetland roll. She was never known by any other name. She always went by the name of Ward, as well as I can recollect. I don't know anything about the parents of Jane Ward. I don't know how old Jane Ward was. I don't know where she was living in 1835 nor her parents or grandparents. I suppose Noah Raper was living in Fannin Co., Ga. in 1851, but don't know where he lived in 1835. He went with my father a few times to the Cherokee council in N. C. (Cherokee) Swain Co. That was just before the war. I don't recollect what these councils were for. He was never on any roll that I know of. Thomas and Katy Raper were my grandparents. Noah Raper is a first cousin. Thomas and Katy Raper live with the Indians in Cherokee Co., N. C. They were on the roll of 1846 or 7. They were never known by any other name than Raper. I can't say when they were married. I understood that Thomas and Katy Raper were on the roll of 1851 but I don't know where they were enrolled. It might have been Cherokee Co. I couldn't say. They lived in Cherokee Co. N. C. in 1851. My Indian blood came from my grandmother's side, Katy Raper. The Raper possessed no Indian blood. I think Katy Raper was a quarterbreed. She lived with the Indians in N. C. Lived with them up to the time of her death. She had no (Indian) blood in her. She was white and Indian. Never knew of the Wards to have any other name. I suppose that I was on the roll of 1851. I would have been enrolled at Murray, N. C. by Father's name as Alexander Raper. My mother possessed no Indian blood. Katy Raper was recognized as a Cherokee. I don't know if Katy Raper is not on my roll I can't tell for certain. The roll was made before the war and ought to be enrolled. I have nothing further to add to this testimony.

The Country is about one-third timber and the balance prairie. The timbers are oak, cottonwood, hickory, d'arc, pecan, ash, elm and hackberry, with some hickory and walnut. The soils of both the timber and prairie lands are a rich, sandy loam and black, sandy, with some black waxy. The sandy soils are not loose, but have sufficient solid earth mixed with the sand to render it firm and compact, yet porous and easily cultivated. A soil of clay enables them to hold rain and resist drouth, but rains come with such regularity as to make good crops the rule. A crop failure has never been known in this part of the country.

... What Durant Has ...

Durant has a population of 7,000, all white. It is situated on the trunk lines of the Missouri, Kansas & Texas and the Frisco. The climate is mild the year 'round and cannot be surpassed. No healthier place to live in can be found from the fact that the town has a perfect natural drainage.

Durant has the best system of waterworks in the State outside of Oklahoma City. The plant, costing \$120,000.00 is owned by the city. The water comes from Blue river, four miles distant. The clearness and purity of this stream is phenomenal and it is never known to go dry

Following are some of the industries of Durant:

Large Cotton Compress.	Cotton Seed Oil Mill,	Flour Mill,
Two Grain Elevators, good capacity,	Four Gins of large capacity,	Machine Shop,
Steam Laundry,	Canning Factory,	Broom factory,
Electric light and Ice plant,	Bottling Works,	Matress Factory,
Planing mill,	Large Telephone Exchange,	Wholesale Grocery House,
Three trust Companies,	Three Lumber Yards,	Nine Hotels,
Three National Banks whose capital and deposits will aggregate about \$1,000,000.		
One Daily and two weekly Newspapers with large circulations.		
Fine public school buildings and churches.		
Presbyterian College for both sexes, matriculating over 200 scholars.		
Durant is surrounded by rich agricultural country whose products are computed about as follows:		
Cotton, over \$1,000,000.00.	Cotton Seed, \$150,000.00.	Corn, \$150,000.00.
Oats over \$100,000.00.	Small produce, \$75,000.00.	Horses and Mules, \$50,000.
Hay, over \$50,000.00.	Cattle Hogs, \$85,000.00	

The Restrictions Bill having passed, you can obtain good titles to land. Now is your chance for a good home in Bryan County.

Durant has just put in five and one-quarter miles of water mains and extension that now practically covers the town. And the contract has been let for nearly five miles of sanitary sewerage. These improvements will make Durant one of the cleanest as well as the most convenient and prettiest city in Oklahoma.

Durant has just closed a contract with the Missouri, Oklahoma & Gulf Railroad which comes from Wagoner, Oklahoma, and it is supposed will be one of the great trunk lines when built, which will be this year.

Another short line has been surveyed from Durant to Red river, southeast of Durant that will open up some of the finest timbered country anywhere, and as Durant capitalists are back of this move, it will bring a vast wealth in timber and wood factories of different kinds to our city.

What Durant Needs and is Going After

Durant needs and offers an exceptionally favorable location for the following industries: Cotton Mill, Wagon Spoke and Handle Factory; Paper Mill to work up oats straw and different waste products from Cotton stalks; Tanning Factory; Wholesale Dry Goods House; Furniture Factory Brick Manufacturing Plant, for which the finest shale is located almost within the city limits.

Water and fuel for manufacturing can be had at a nominal price. As has been stated, the water supply is abundant and Durant is on the edge of the coal fields, which makes it possible for fuel to be secured at the low est prices.

Correspondence on any and all subjects pertaining to the town is solicited by the Chamber of Commerce. Write us for information and literature more fully descriptive of the town and county.

Vian, Okla, Nov, 25th, 1908. 190

Hon. Guion Miller,

Sir:-----

I have your notice of Nov, 20th, 1908, reference to certain parties as participants in the emigrant fund, Appli. #9205! 'H.C.B.'

In 1875 I lived with as my wife one Charlotte, whose maiden name was Bark. and a cousin of one John Bark of near this place---she died in Sept, 1891. After her death and in 1894, I married one named Nancy, the party refered to in your notice as stated---she was the widow of Jack Miller, he had died prior to my marriage to her--she had no children born to her by any marriage to any one at all---we lived together for about 4 or five years, and then seperated, she again married to one Snake Girty, lived with him a short time and died while living with him--

Such are the facts reference to the inquiry as I knew them to be--- Nancy had no children at all, and Annie Tayler or Annie Bird is a person I am unable to locate---

Very respectfully,

Wit- to Sig by mark: -

Sam Johnson

REFERENCE

To be used in Second Field Investigation.

This applicant claims through her father, Wilson Commings. A Wilson Commings has filed application, #9205, however, from letters on file in case herein, he states that he is no relation whatever, to the applicant, that he does not know who she is and cannot locate her. He states that he had at one time had a wife by the name of Nancy, states that said Nancy never had a child by the name of Annie Taylor or Bird. It is impossible to O. K. this claim through William Commings and the investigation will have to be made through her mother's side.

Obtain as full information as possible. It cannot be determined whether or not applicant was enrolled by the Dawes Commission. Investigate in that regard.

WHITMIRE FILE.

#2576

The applicants who claim their right to share in the Eastern Cherokee fund because they are descendants of Samuel and Polly Whitmire or of some of their children, especially Delilah Corbin must all be rejected for the following reasons:

None of their ancestors were enrolled in 1835 or in 1851 or at any other time. No evidence has been submitted which would tend to show that any ancestor of these claimants was party to the treaties of 1835-6 and 1846.

It appears from the applications that Samuel and Polly Whitmire through whom these applicants claim to trace their connection with the Eastern Cherokee tribe were born sometime prior to the year 1800. A number of these persons now claiming to share in this fund were living in 1835 and a greater number were living in 1851, and yet none of them or their ancestors appear on the rolls made on those dates. The name of Delilah Whitmire does appear on the roll of 1851 but it is manifest considering these applications with the roll that this cannot be the Delilah Whitmire who was the daughter of Samuel and Polly Whitmire, as the one on the roll lived in the Going Snake District in 1851 and was enrolled by Drennon, while the Delilah through whom these applicants claim lived in the east. Delilah Whitmire was married to John Corbin certainly prior to 1830 while the Delilah Whitmire whose name appears on the roll of 1851 was apparently a minor child. The Delilah Whitmire who was the daughter of Samuel and Polly Whitmire did not reside anywhere near the locality in which the Delilah Whitmire who was enrolled lived in 1851.

On October 26th, 1907 a letter was sent from this office to Mr. J. C. DePutron, who is attorney for most of these claimants and in that letter Mr. DePutron was informed that unless affidavits of the strongest character clearly showing the connection

v5

of these Whitmire claimants or some of their ancestors with the Eastern Cherokee tribe could be furnished, this office would not be justified in putting the fund to the expense of taking the testimony of these claimants.

Certain affidavits were filed in compliance with this letter but none of these affidavits indicate that the Delilah ^{who} Whitmire was enrolled in 1851 was the daughter of Samuel and Polly Whitmire, nor do these affidavits show any genuine connection on the part of the Whitmire family with the Cherokee tribe, either in 1835 or 1851. On the contrary the affidavits are extremely general and there is noticeable absence of the mention of any dates in them. The applicants as a general rule make no claim of ever having been enrolled.

For the reasons stated above all of the claimants in this group must be rejected.

Special Commissioner
I herewith forward you a letter concerning my Indian claim. I saw through the Birmingham Press news an advertisement concerning same. I had a consultation with the Clerk of U. S. Court, he informed me that I would have to refer the matter to you for consideration.

This is not my last attempt. I have been working along this line for more than three years without any hearing of satisfaction. I have corresponded quite a bit with Hon. Nathan Bicker Solicitor of Claims and Patents, and have

gone fare enough to go
 before the justice of the
 peace and swear out Affi-

FOR MINOR CHILDREN

For share of money appropriated for the Eastern Cherokee Indians by the Act of Congress approved June 30, 1906, in accordance with the decrees of the Court of Claims of May 18, 1905, and May 28, 1906.

James M. Jones being first duly sworn, deposes and says:

That I am 66 years of age and live in Fannin Co., Ga. I claim my Indian descent on my mother's side. My father was a white man. My mother's parents both claimed Indian. My mother was born and raised in what used to be Walton Co., Ga. - that is now Clark, Jackson and Walton Counties. My mother died in Union Co., Ga. She came to Union County in 1839 and lived there until she died. She was born in 1818. My mother was 1/3 Cherokee Indian. My grandfather on my mother's side was born in S. C. Don't know what county. My grandmother on my mother's side was born in S. C. My mother nor grandparents never lived with the Indians as members of the tribe that I know of. My mother and grandmother on my mother's side claimed to have been on a roll but I don't know when nor what the roll was. ~~My mother's brother~~ John Thomas was my grandfather on my mother's side and Nancy Newton was my grandmother on my mother's side. Sally and Betsy were my mother's sisters. Betsy married a Rhodes. ~~Sally married~~ John and Jim Thomas were my mother's brothers. Never heard that they were on any roll. I am recognized as a white man with some Indian blood. My mother received some money from the government. I was about 7 years old when she got it, but I don't know how she got it. It was in Union Co., Ga. that she received this money. If I was on any roll myself I never heard of it. My aunt Sallie on my mother's side married a Wm. Gamble. I never received any money from the government myself. I never lived with the Indians as an Indian. John Thomas, Betsy and Sallie - my mother's brother and sisters went West. All of my uncles and aunts were married before 1835. Don't know whether any of them were on any rolls or not. Those that went west took up land which they got from the Indian claim somehow. That was before the Civil War. They wanted my father to go out there but he didn't. Don't know whether my mother or her parents had any Indian name or not. I have a brother and four sisters who did not make application. I have one sister at Live Oak, Fla. and the others are in Union Co., Ga. They had blanks sent there to them but they never tried to make any efforts.

George W. Culver, witness for his wife, Margaret M. Culver, after being first duly sworn, deposes and says:

Margaret M. Culver was my wife; she died April 25, 1908. She claimed Cherokee Indian blood. I think she was about one-eighth Indian. This Cherokee blood came through her father. I know her father. He was a recognized white man and a voter. My wife never received any Indian money and never tried to get any. Her father never received any Indian money. He did not speak the Indian language. My wife told me that her grandparents said she was part Indian. I never heard my wife speak of a government agent enrolling people of Indian blood in 1884. None of her relatives ever received any Indian money that I know of and none of them ever received an allotment in the West.

Sir:-

In reference to your application #20951 for minors to participate in the Eastern Cherokee Fund, kindly state why the names of their parents and other ancestors who were living in 1835 and 1851 do not appear on the rolls of those dates. Gentlemen

I could not have filled the general Affidavit. With out falsehood. as there are not any of my ancestors living at this present time. my owners. have all passed to the happy hunting ground 8 or 10 yrs. ago. their children & Grand children. did not care enough for their ex-slaves. to keep up their family record. My father was sold down south by his own father. Stolen from his Indian mother. as he use to tell us. & relate the Circumstances. there are however. scores of honest Citizens. that will testify to my Indian blood. I know no more than my father told. I thought I would write this letter as I could not afford to hire affidavits. as I would rather not have the money rather than stoop to that. there are plenty men who would stoop to swear. to lie for a dollar if I bought them. if I cant win on merit. I will lose.

Respectfully yours

John Dyson, being first duly sworn and examined,
deposes and says:

My name is John Dyson: I was born in Wilkes Co., N. C.,
1853: I claim my Indian blood through my father: I make no
claim through my mother: my father claims through his mother:
my father was born in Wilkes Co., N. C. 1823: my grandmother's
maiden name was Polly Furr (or Furr) : I never saw my
grandmother through whom I claim: I do not know where or when
she was born: I have heard that my grandmother was a full
blood Cherokee Indian: my grandfather, the husband of Polly
Furr was a white man: I do not know whether my grandmother
was a recognized member of the Cherokee tribe or not: none of
the ancestors through whom I claim nor I were ever enrolled and
never received any money or land: none of the ancestors through
whom I claim were ever held as slaves: none of the relatives
through whom I claim ever went West with the Indians: my father
never lived with the Cherokees as a member of the tribe:
my father told me that he was a quarter Cherokee: he was
always regarded as a white man with Indian blood.
